Courage

“mental or moral strength to venture, persevere, and withstand danger, fear, or difficulty.”

Ability to “do it anyway.”

FEAR

**“unpleasant often strong emotion
caused by anticipation or
awareness of danger.”**

Fear Can:

- **Prevent us from experiencing the blessings of God.**
- **Paralyze us.**
- **Cripple us.**
- **Shut us off.**
- **Lead to despair.**
- **Cloud our vision.**
- **Stifle our potential.**

Numbers 13:1-18; 23-25

Majority Report:

Land flows with milk and honey.

But:

People are powerful.

Cities are fortified and very large.

Minority Report:

Yes.

But:

We should go take possession.

WE CAN DO IT!

Majority Report Part 2:

- We can't attack those people.**
- They are stronger than we are.**
- The land devours the people.**
- The people are big.**
- We seemed like grasshoppers in our own eyes, and we looked the same to them.**

Numbers 14:1-4

Numbers 14:7-9

Majority report was a “**fearful**”
response.

Minority report was a “**faithful**”
response.

**Fear is an adaptive behavior
that humans have to help
identify threats.**

**The fear we were born
with is there to literally
save our lives.**

All other fears are learned.

**Healthy fear will lead you to
make healthy choices to protect
yourself from harm.**

**Ungodly fear = False Evidence
Appearing Real**

Fear can lead you to make bad decisions, lead others astray or cause you to disinherit God's best for you.

Israelites believed that the people of Canaan were too big, too powerful, and too strong to possess the land.

**God made provision for the
Israelites to have faith, but they
chose to fear anyway.**

The Israelites laid down their title because they didn't even show up for the fight.

**What does their failure
to take possession of
the land say to us?**

Exodus 3:7-10

**They found the land exactly
how God promised it.**

**Trusting God's power,
control and authority
keeps our hearts from fearing.**

**If God is for us,
who can be against us?**

Romans 8:31

**They didn't trust that God
would provide what they
needed to be victorious.**

**They chose the
bitter fruit of
Fear.**

**If we don't overcome our fears
we will find ourselves in
rebellion of God.**

**They held on to fear tighter
than they held on to God.**

**What are you willing to
lose to hold onto fear?**

**Don't lose your title
because you failed to
face the giant of fear.**

Insecurity

We seemed like grasshoppers in our own eyes, and we looked the same to them.

**Failure to trust the God in you
is actually failure to trust the
God who made you.**

**When we trust in the power
of God flowing within us,
we have the confidence that we
need to do what God assigns us
to do.**

**Parents Trigger may trigger
a fearful response in us.**

You are a champion!
You are more than a
conqueror!

**We have to make up in our
minds and hearts to believe the
word of God.**

**Anything that speaks against
you status as a champion
must be demolished.**

**When we are staring at our
problem, we are not in a
position to see a solution.**

**Some of our fears started
because of a life experience.**

Good sees, knows and cares.

**You must decide to take control
of your life.**

Face it & Faith it!

What is your fear?

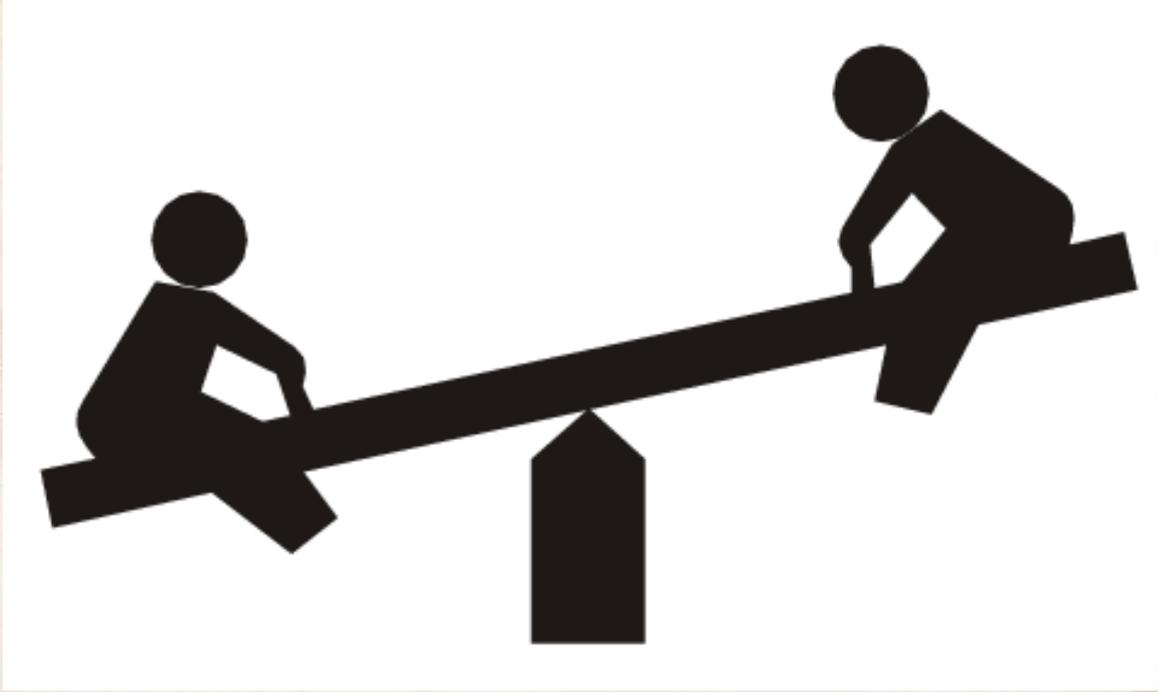

**Admitting your fear is the first
step in overcoming it.**

**God's strength is made perfect.
The enemy's power is diminished.**

**God handles it himself or gives
you what you need to handle it.**

**When we admit our fear, we call
Satan out on his own game.**

**Satan can't use against you what is
being illuminated by the light.**

Let God Have It!

**Pray about it.
Confess the word.
Do what God says.**

**Surround yourself with
people who believe in you.**

**The champ is here,
the champ here!**

**Hey Champ
You Got This!**
